

GREAT AMERICAN CLEANUP

Saturday, April 29, 2017 • 9am to Noon

Here's an opportunity to show your community pride and show your employees, neighbors and fellow residents that you are willing to lend a hand and to help keep Albuquerque beautiful.

Just around the corner is the City's annual spring cleaning event: the [Great American Cleanup](#). This is the nation's largest community improvement program that Albuquerque has participated in for more than 30 years. It is a time when we can show our community pride by lending a hand to clean up littered roadsides, parks, trails and river ways.

Getting involved is easy and groups as well as individuals are encouraged to participate. Keep Albuquerque Beautiful staff will provide gloves and garbage bags. The official day of the cleanup is Saturday, April 29th from 9am to 12pm at **Loma Linda Park** located at 1700 Yale Blvd SE.

Sign up today!
