

Melted Crayon Earth

Prep Time: 20 minutes

Skill Level: Hard

Total Time: 35 + minutes

Materials:

- Earth Pattern
- Blue and Green Crayon Shavings
- Wax Paper
- Adult with Warm Iron

Advice:

Instructions:

1. Place a piece of wax paper over Earth pattern.
2. Sprinkle crayon shavings (Shavings only need to be used sparingly!) on wax paper following the design of the earth.
3. Place another piece of wax paper on top of shavings and a blank sheet of paper or a cloth over that.
4. Gently press down with a warm iron. (Crayon will melt quickly.)
5. Cut wax paper into a circle around the design.
6. Tape or hang in a window.
